## Summary

As a dedicated and ambitious B.Tech student currently in my 3rd year, I have honed my skills in programming and software development. My passion lies in the world of coding, and I am proficient in Java, Python, and C. I am eager to apply my knowledge and skills to real-world challenges and contribute to innovative projects. My goal is to continue learning and growing in the field of computer science while making a meaningful impact. Let's connect and explore opportunities to collaborate and create a brighter, tech-driven future
